48th Annual Scientific Congress of the College of Surgeons

The Next Chapter in Surgery - Beginning of an Epic Journey

26th - 28th August 2022

Shangri-La Hotel
Kuala Lumpur, Malaysia

www.csamm.asm.org.my

MESSAGE FROM THE ORGANISING CHAIRPERSON

I have great pleasure to invite you to the Annual Scientific Congress of the College of Surgeons which is held in a hybrid format (physical/virtual) for the first time post pandemic. Participants can thus join us in-person at the Hotel Shangri-La, Kuala Lumpur or virtually via live streaming from the congress venue. The Organising Committee has chosen the theme “Next Chapter in Surgery - The Beginning of an Epic Journey” with an emphasis on Trauma and Minimally Invasive Surgery.

The past two years have not been an easy period with the pandemic, the continuous lockdowns, the adherence to evolving standard operating procedures and numerous rules and regulations. This hybrid event will offer a lot of opportunities for networking with both old and new friends, to meet in-person the esteemed invited faculty and experts and to meet the biomedical industry partners and be updated on the latest advances on their spectrum. Our College has strong bonds with overseas Colleges and societies and these organisations, as before, have risen to the occasion to come to join us for the congress.

New technologies and techniques are always around the corner and it is incumbent upon us as surgeons to always keep updated on the ever-changing surgical landscape.

Please come and join us to make the Annual Scientific Congress a rousing success, like the pre-Covid era.
